## DETAILED ACTION

### *APPLICANTS' ARGUMENTS*

Applicants' amendments and arguments in the response filed 05 April 2004 have been fully considered and are deemed to be persuasive.

### *EXAMINER'S AMENDMENT*

The following amendments were discussed with and approved by Applicants' Representative, Gerald Chan (Interview Summary on 17 June 2004). To expedite the prosecution of the instant application to allowance: 1) claim 76 is corrected to overcome dependency upon a cancelled claim; and 2) claims 84 and 85 are cancelled to avoid prior art previously applied prior art rejections.

Therefore, please cancel claims 84 and 85 and amend claims 19 and 76 as follows:

19. (Currently Amended) A system for comparing chromatograms, comprising:
  - a data storage device to store chromatogram data;
  - a communications interface adaptable to receive chromatogram data from the data storage device;
  - a data adjustment module to adjust the chromatogram data;
  - a reduction module to reduce the chromatogram data to a data set based at least on an average time for the chromatogram data in the region of interest by determining an integral of the chromatogram data and plotting against a time axis, determining a set of time points, and forming arrays of

data set values based upon the set time points and corresponding integral values for the set of time points; and

a comparison module to compare the reduced data set against other chromatogram data sets.

76. (Currently Amended) The medium of claim ~~75~~ 43, wherein the process further comprises:

mapping a result of the comparing.

*REASONS FOR ALLOWANCE*

The following is an Examiner's statement of reasons for allowance:

The filing of the amendments to claims have overcome all grounds of rejection in the office action, mailed 05 January 2004, and no other grounds for rejection are present. Therefore, claims 1-3, 5, 6, 8, 13-29, 43-45, 67-70, 72, and 76-83 are deemed allowable. No pending United States applications have been identified with claims directed to the same invention as claimed herein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
